

The image is a detailed architectural site plan for two apartment complexes. The plan shows the layout of buildings, parking areas, green spaces, and infrastructure. The 'ORIGAMI' complex is a long, narrow building with multiple units, each with a private garden. The 'MORGET' complex is a smaller, more compact building. The site includes a large urban park (4410 m²), a playground (225 m²), and various parking zones. The plan is annotated with technical details such as elevations, setbacks, and material specifications.
